#### Texas Turns to Real Issues.

Texas has followed Alabama in dropping political fads. Thomas H. Ball is one of the big Democrats in Texas, and he had the support of the President. Secretary Bryan, Postmaster General Burleson, and all the Democratic organizations in Texas in his campaign for governor. But he was beaten at the Democratic primaries last Saturday by a man who had never been in politics, who had never been a candidate for anything, is only a country banker, and a few water gives. weeks ago was unknown outside his own neighbor-

It looks like a political turn over in Texas, and it probably is, but only a partisan Republican would go so far as to see in the defeat of the administration candidate a vote against President Wilson and a re-Ball continued to hold on to a political fad after it has not had its tragedy? had run its course.

Senator Sheppard owes his seat in the United political issues. Alabama repudiated Hobson to stand going?" by Oscar Underwood, the Democratic leader who the man who shot and killed his wife stands squarely on Democratic doctrines in appealing to school? Why be wholly without our study, our Beach at 6 p. m. Sunday, arriving in with only a fad for an issue. He is big in brain and brilliant record in Congress, the support of the administration, his reputation as a great lawyer and successful business man, and his personal popularity

Mr. Ferguson, the successful candidate, expressed the opinion that Texas had had too much discussion The man who shot two men and a woman on a of the liquor question, that too much talk about which the people were seriously interested, and which must be settled to insure the prosperity and tranquillity of the State. He would have none of it. He The stock exchange absolutely refuses to believe would leave to individual citizens all questions of would leave to individual citizens all questions of purity, morals, and religion, and to the various communities the regulation of the liquor traffic, but he was opposed to dragging it into State and national campaigns, because intemperate agitation of the temcoration of the tem

The Democrats of Texas seem to have agreed from the North and West, and with millions of acres its success and go out of business of rich land to make it the agricultural empire of not even the right to quit, as by doing so it tends to After all, Washington has a real reason for being the world, with oil and gas to build up great indus-create monopoly.—New York Sun.

surpass the Empire State in population and wealth and become in fact the seat of empire. Or he might

## The Camp.

aged Emperor Francis Joseph "not to stain his old eral average. You leave your own personality at cent a year in addition to the 6 per cent age with blood" is well calculated to stay the arms home and now you are by the carload.

uncompromising attitude Germany's acquiescence in could not hope in years of private instruction to tomatically, but a corporation carries on Sir Edward Grey's proposal could be regarded as a attain it. Being prepared, however, to be served to as the law is concerned, even when the most hopeful indication. The powerful influence of thousands, the morsels are ready to be handed out the German Emperor, with that of Great Britain, so that the management can make a little profit. would be a well-nigh determining factor between war Indeed, the profit idea is everywhere suggested. You good will of which is very valuable, may and peace, were reason permitted to rule; but, as the yourself would not have chosen the camp except that case stands, it is difficult to discover any basis for it seemed a good bargain. And you are constantly the strongest reasons why important an appeal to Russia. Only extreme pressure brought looking out for the bargains. The food might be looking out for the bargains. The food might be looking out for the bargains. The food might be looking out for the bargains. The food might be looking out for the bargains. The food might be looking out for the bargains. The food might be looking out for the bargains. The food might be looking out for the bargains. The food might be looking out for the bargains. The food might be looking out for the bargains. if this fails the world may prepare to witness a for an hour's row. And there is scarce a day when of years pressing upon them. Its you do not discuss some discontent to find out the United States Supreme tragedy of a magnitude defying its imagination. Its you do not discuss some discontent to find out the should take a similar view of the liability

The throng is either inspiring or depressing, as The throng is either inspiring or depressing, as theree, this exposition of the law you look at it. Little change is there to the city man be of interest to the unfortunate wish to hear?

Thanks to the recent sanitation good sense the crowded camp is not likely to be left to your mates. But the item is worth carefully looking after. The temptation to overexertion, in teams, is constant. The city boy is in no condition to take long marches senting a majority of the stock of or otherwise spend his energy under hot suns in company who have in had faith conopen fields. There is always one athletic chap who proposes "stunts" to which the rest are wholly unselves or any of their number money not equal. Fresh water bathing is radically different from quate and necessary services. It knocks on the head the old and apparently safe salt water. The specific gravity being less, drowning on the head the old and apparently safe system of swindling minority stockholding more likely. And there is the chill which fresh giving to those in control ex-

Mountain climbing is very arduous work. It looks easy. It is extremely fatiguing, while the rarified air and the closely wooded timber region make breathing difficult.

The canoe is generally a fool's toy. Few there be who are safe in using it. The upland lake is the home pudiation of his policies by the Democrats of Texas of the winds when thunder storms sweep them. The The Democratic explanation is that the friends of lake sailboat demands skill. Where is the camp which

The friendships that are made when there is nothing else to do are not with much discrimination. It States Senate to prohibition, and he is the apostle is impossible for the management to resist the tempand prophet of that fad in the Senate as Capt. Hobson tation to swell numbers when numbers bring down is in the House. But Alabama led the way and Texas the cost. Parents should scrutinize the names. "Who on any of the "furies" and that we are missing the followed in dropping the fad to take up legitimate is going?" is more important than "Where are you

these days? Apparently its only right is to abandon

### Danger to the Primaries.

It is easy enough to say that Progressives at the Norris' resolution, passed yesterday, regarding the feasibility of using the tidal basin, the opportunity is afforded the Commissioners of strongly impressing on Congress the inadequacy of the present facilities and urging that they be largely extended. The present pools are overcrowded. Ten times the number of people who patronize them would welcome the opportunity for a plunge into the tidal basin or the river itself if they could do so with safety and surrounded by comfortable accommodations.

Was defeated because the plain people of Texas decided to confine politics to political affairs and leave the liquor traffic to be regulated by local communities in harmony with the majority will.

It is a sad reminder to Senator Sheppard that the glories he has won as the infant prohibition prodigy have departed in Texas, but he is still young and agile enough to grab firm hold of the tail-gate of the Ferguson business band wagon, and turn his eloquence to picturing the real glories of the Lone Star State, and his prophecy to the time when it will New York World.

# MINORITY STOCK RIGHTS.

Majority Stockholders May Not Absorb the Lion's Share.

horrors civilization scarcely dares think of. Nowhere is it denied that danger of a conflict in which all the great powers would have a part is real and imminent. Austria-Hungary, mad for conquest of Servia, refuses to accept compliance with her ultimatum and rusbes plans for war. Russia's interest will doubtless impel her to sustain Servia, in which event Germany, Italy, France, and possibly Great Britain, would be involved.

Alarming as the situation admittedly is, and extremely difficult of solution, it is not altogether without hope. Tremendous influences for peace are at work. The proposal of Sir Edward Grey, Great Britain, and the summer camp outdoor school or camp is like nothing else in this life, nor, probably, in the next. It is tiself. No printed description, no photographs, no functional description, and there were the part performed a decision upholding the rights of minority stockholders to sue for restitution when the directors or executive of minority stockholders to sue for restitution when the directors or executive of this kind and a conference in London and there is a matter of taste. Perhaps you will like the summer camp. Perhaps one experiment will do, and you decide you do not like it. You cannot tell till you try it. And this is not merely uttering a truism. The summer outdoor school or camp is like nothing on the broader ground of the obligation of trustees to act in the best interests of those whose property it is their duty to guard. The case in point is Godfey vs. Crandall & Godley Company and others and the damages awarded to the plaintiff cover gets which were in part performed as long ago as 18%, recovery on which as long ago as 18%, recovery on which as long ago as 18%, recovery on which as the property of the corporation to their truthers of minority stockholders to sue for restitution of minority stockholders to sue for restitution of minority stockholders to sue for restitution of minority stockholders to sue for nearly truthers and the summer camp. Perhaps one experiment will The New York Court of Appe
